

BRING HISTORY TO LIFE

DISCOVER **NEW** AUSTRALIAN PROGRAMS, DESIGNED TO SUPPORT CLASSROOM LEARNING

Inspire and engage your students with a State and/or Australian Curriculum aligned History tour, traversing the ages of History through an Australian lens. Each tour program develops student knowledge of societies and their significance through interactions with primary and secondary source materials, expert-led immersive workshops and guided tours.

Custom designed anywhere in Australia, our History tours can be intra or interstate and run for 3 to 7 days. All programs are designed to elaborate on the cross-curriculum priority of Aboriginal and Torres Strait Islander Histories and Cultures ensuring a seamless integration of multiple perspectives in student learning.

Inspiration for experiences available across Years 7-10:

- Engage in talks with local Elders to deepen student understanding of knowledge systems, traditions and cultural practices of First Nation peoples
- Discover cultural artefacts that shed light on First Nation society and law and consider how museums impart information
- Participate in hands-on archeological digs developing knowledge of Roman society
- Explore First Nation trading routes as they map to contemporary highway systems
- Examine the social and economic impacts of Queensland's industrial transition
- Collaborate in a Theatre-in-Education program analysing the personal, social and political impacts of WW1
- Investigate Brisbane through its archeological artefacts, interrogating their relationships and chronological location in society
- Understand Native Title legislation and the Stolen Generation, investigating structures that shape the status and rights of First Nation peoples
