

## Virtual Museum Experiences

Introducing the RD Milns Antiquities Museum's new **virtual museum experiences, delivered direct into your classroom** by our experienced education team.

This exciting new offering from the Antiquities Museum breaks down the barriers of distance and in-person class limits imposed by current QLD Health Directions. Programs can be delivered using a **range of standard video-conferencing packages** (Zoom, Teams, Skype, etc) and cater to **groups of all sizes and skill levels**.

All of our program options are aligned with **State and National curricula**, and cover the areas of **ancient Egypt, Greece, and Rome**.

### Virtual Tours

- Death and Burial in the Ancient World
- Greek and Roman Daily Life
- Greek Warfare
- Roman Army
- World of Ancient Egypt

### Virtual Workshops

- Roman Material Culture
- Greek Material Culture
- Egyptian Material Culture
- Roman Coinage and Propaganda
- Papyrus and Hieroglyphics

All programs are presented live by the Museum's **dedicated education team** using high resolution images from our **world-class collection**, and include **specialist worksheets, identification guides and image packs for you to keep**. Based on our popular in-person programs, these new virtual experiences bring the Museum **direct into your classroom**.
