Gain first-hand insight from experts in their field on one of our syllabus linked teacher PL tours. We offer study tours that cover key learning areas of Ancient History, Modern History and Extension. Tours are mapped to the Australian Professional Standards for Teachers at Proficient Level to allow you to gain elective PD hours while exploring global epicentres with likeminded colleagues.

We thrive on our collaboration with partner schools and teachers to design great learning programs that enable participants to soar beyond the syllabus - sparking curiosity, encouraging critical thought and problem-solving, instilling a global mindset, and maximising the impact of classroom learning. We have a range of History itineraries for you to select from as basis for your customised study tour.
