

# Jacaranda History Alive

For the Australian Curriculum years 7 - 10

The **Jacaranda History Alive** series is designed to support the huge variety and range of approaches and styles for successfully teaching history, providing a rich set of tools and activities that every teacher can use to bring history to life in their own way.

## Jacaranda Learning Experience

A focus on historical sources, with accompanying activities, target students' understanding and application of historical skills and concepts. Reading content with integrated media provides a dynamic and uninterrupted learning experience

## Helping teachers teach their way.

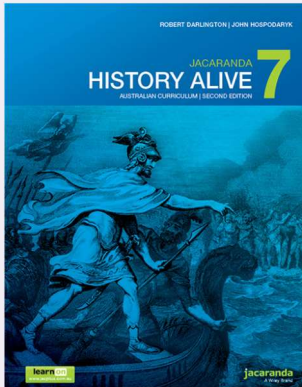

A diverse range of activities to help teachers teach history their way and give teachers the best possible experience regardless of technology constraints and platform choices.

## Unlock deep insights into performance.

Activity banks at the end of each subtopic allow students to apply knowledge, skills and concepts as required by the curriculum. Skillbuilders provide an in-depth learning sequence to help students master key historical skills.
