State Library collections

About Curriculum Connect

Developed by State Library of Queensland, Curriculum Connect makes finding free, teacher-reviewed, classroom-ready resources simple.

Search for materials tailored for specific year groups and subjects, including History and Social Sciences, Visual Arts, Design, Science, and English. Discover rich content and learning activities from First Nations perspectives.

Learning resources are linked to curriculum outcomes and State Library collections. Teachers can download, use, re-use and repurpose in a few quick clicks.

Search Curriculum Connect for inspiring classroom content today, and bookmark Curriculum Connect for contemporary teaching ideas tomorrow.
