

State History Conference

JUNE 22, 2024

We are very excited to announce that registration for our 2024 State Conference is now open, and we invite you to join us on Saturday, 22nd June!

This year, our Conference will be held at the beautiful University of the Sunshine Coast, Moreton Bay Campus (North Brisbane). This allows for easy travel by train (the station is right next door) and parking for those who will drive.

Our program this year is full of sessions designed to support your role as a teacher in the History classroom. From pedagogy, assessment, and use of AI and GIS, to the exploration of topics such as Deep Time, the USSR, Nazi Germany, the Women's Movement, and more, there is something for everyone.

To begin our program, we will recognise contributions within our community with teacher awards, then we are honoured to have Professor Frank Bongiorno delivering our Keynote Address. Professor Bongiorno will speak on "Democratic Learning: Finding a Place for Political History in Teaching". After lunch, Dr. Brian Hoepper OAM will present an address on specific historical skills. Those who have participated in QHTA events before will know the immense value of listening to Dr Hoepper.

Our commercial supporters will also be onsite providing access to their newest texts, resources and opportunities. The day will also provide time and space to catch up with colleagues and friends, network, and then leave with ready-to-use resources. Join us for a coffee (coffee van will be onsite), delicious morning tea and lunch (included in registration) and a day of outstanding professional learning.
